## WEATHER AND EMERGENCY ALERT RADIO

### **NOAA Weather & Emergency Radio**

Alerts to over 60 emergency related events such as tornadoes, hurricanes, blizzards, natural disasters, child abductions, civil emergency messages, etc.

### **S.A.M.E Specific Area Message Encoding**

Receive alerts only for your local area with Specific Area Message Encoding.

### **3 Level Alert LED Indicator**

Bright LED flashes Red (Warning), Orange (Watch), or Yellow (Advisory) depending on the alert level.

### **TORNADO MODE Button**

Silences all alerts except for tornados and other extreme emergencies\*.

### **Desktop Charger & Rechargeable Batteries**

Can run 24 hours a day on your desktop, countertop or nightstand, but ready to grab and go when you need it.

### **USB Smartphone Charging**

Charge your mobile device using the radios battery power and your standard cable.

### **LED Flashlight**

Light up your way with the built-in LED flashlight.

### **Alarm Clock with Snooze**

When everything else fails, this will still keep you on schedule.

### **Rubberized Grips**

Responsive rubber grips provide traction crucial for slick environments.

\*TORNADO MODE will not silence alerts which are not allowed to be disabled per the ANSI/CEA-2009-B specification.
